TOOLS THROUGH TIME LOAN BOX

This loan box contains a variety of tools which celebrate Sheffield's history as a world centre for tool making. Through a series of short, hands-on, activities and discussion it will enable pupils to learn knowledge and skills in the following subject areas:

- **Literacy** – Speaking and Listening
- **Historical Enquiry** – Using different types of evidence, Chronology
- **Historical Knowledge** – Local history – Sheffield, a world centre for tool making and industry
- **Scientific Enquiry Skills** – Sorting and classifying
- **Scientific Knowledge** – Materials and Forces

It has been developed for use with small groups of pupils of all abilities and learning needs, and in particular those with special needs. The activities can act as a springboard for further History and Science study, work in other curriculum areas, or be part of a themed cross-curricular study.

The box contains:

- 14 tools with factual information cards for each
- Photographs of each tool from a variety of angles
- Name cards for each tool
- Activity cards
- Photographs and task cards for specific activities
- Ideas for follow-up activities plus background information
- Risk assessment for activities

All the tools are original and some more than a hundred years old. They can, however, all be handled with care and removable guards are supplied to cover sharp edges/points where necessary.

We would like to thank the following schools and groups for their help in developing and piloting the box:

- Hearing Impairment Unit, Hollow Meadows Primary School, Sheffield
- Bents Green Secondary School, Sheffield
- Grace Owen Nursery School, Sheffield
- ABC Autistic Youth Group, Leeds

The box can be hired for a two-week period or used as part of a visit to Kelham Island Museum.

For information and bookings please contact Education at Kelham Island Museum, e-mail: education@simt.co.uk, tel: 0114 – 2010613.
