

# TOOLS THROUGH TIME LOAN BOX

This loan box celebrates Sheffield's history as a world centre for tool making. Through a series of short fun activities it will allow **young people**, especially those with **special needs**, to learn more about the history of their local area as well as giving them an opportunity to learn practical skills.

The box has been developed for use with small groups of up to six. There are five suggested activities - three looking at tools and photographs and two practical 'making' activities.

The box includes the following:

- 14 tools & 8 photographs (A-H) with factual information cards for each
- Activity Cards plus templates/examples for Activities Four and Five
- Ideas for follow-up activities plus background information
- Risk Assessment for activities

All the tools are original and some more than a hundred years old. They can, however, all be handled with care and removable guards are supplied to cover sharp edges/points where necessary.

We would like to thank the following group and schools for their help in developing this loan box:

- ABC Autistic Youth Group, Leeds
- Bents Green Secondary School, Sheffield
- Hearing Impairment Unit, Hollow Meadows Primary School, Sheffield
- Grace Owen Nursery School, Sheffield

**The loan box can be hired for a two-week period or used as part of a visit to Kelham Island Museum.**

**For information and bookings please contact Education at Kelham Island Museum, e-mail: [education@simt.co.uk](mailto:education@simt.co.uk), tel: 0114-2010613**
