

VOLUNTEER OPPORTUNITY - Sheffield Treasure: Celebrating 200 years of excellence in cutlery making

The Hawley Collection have recently been awarded a grant by the National Lottery Heritage Fund to celebrate the bi-centenary of the world-famous Joseph Rodgers Year Knife and other significant multi-blade knives in the city. This will also involve cataloguing our pen and pocket knife collection and sharing this Sheffield excellence digitally with a wider audience.

We want to recruit volunteers to be involved with this project and the collection. The main roles will be:

- cataloguing and photographing items and adding them to the Collection's database
- interacting with visitors in the Hawley Gallery
- some research associated with the cataloguing process

No previous experience is necessary as full training will be given. If you are interested and/or would like more information, please contact Judith Smith by email: projectofficer@hawleytoolcollection.com

Closing date: Monday, 19th September
